

## EDUCATION

### **B.Tech (Hons.), Computer Science & Engineering**

ABES Engineering College

2019 - 2023

### **Senior Secondary (XII), Science**

St. Paul's College

(ISC board)

Year of completion: 2019

### **Secondary (X)**

St. Paul's School, Lucknow

(ICSE board)

Year of completion: 2017

CGPA: 9.80/10

## POSITIONS OF RESPONSIBILITY

I have been a badge holder in my school till SSC and have conducted many online events in college for my club. I am the content head of the ACM chapter of my college and a part of other societies as well.

## TRAININGS

### **Web Application Development**

Coursera, Online

May 2020 - May 2020

I learnt to effectively use HTML5, Cascading Style Sheets and JavaScript to make an interactive web application. I have worked on it since then and also made a website for myself. i am sharing the link in the projects section.

### **Python Programming**

Coursera, Online

Apr 2020 - Jul 2020

I learnt basic Python Programming in this course and wish to continue it in future too.

## PROJECTS

### **Idea Management Portal**

Nov 2020 - Jan 2021

<https://innovation-box.herokuapp.com/index.html>

This is an Idea Management Portal built using HTML, CSS, javascript, Bootstrap and PHP using MySQL as database. It aims at increasing the productivity of the employees by engaging them in internal matters of the company by submitting their feedback.

### **Web Application**

Aug 2020 - Aug 2020

<https://github.com/prakarsh7695/myclock>

This is mini project wherein I have made a clock using JavaScript functions that load time from the user end and modify them every sec to work like a real clock.

### Personal Resume

Jun 2020 - Jul 2020

<https://prakarsh7695.github.io/iPrakarsh.com/>

After the first blog... I kept learning about CSS styling and Javascript and here is what I made in oneweektime.

#### SKILLS

##### Java

Intermediate

##### JavaScript
